

PRAYER REQUEST

June 2020

Our wonderful Constitution, inspired by God, was given to us to protect us from leaders who would prefer to keep us in bondage and follow every order they give. Fortunately for us, the Founding Fathers listened to the inspiration given

them and gave us our Constitution. We need to work to keep it from changing. When the Senate or Legislature puts for something unconstitutional with the potential of incrementally taking away our liberty, we need to stand up to them, pressure them and not let anything like that happen. Liberty takes work!!! I want to thank Bob Cull for his suggestion about religious freedom this month. If any of you have other suggestions please feel free to contact me at sbartlett49@yahoo.com.

Please join with us this month as we focus our prayers for our group on the following:

1. Ask Heavenly Father to help us maintain our freedom of religion, our right to express our love of God our right to express how He expresses His love to us and our right to express our love to each other.
2. Although this is a repeat from last month, it is very important: Ask Heavenly Father to send His angels to thwart the progress and place stumbling blocks in the way of those who unrighteously want to rule over and show us how to resist them.
3. Watching little children at the grocery store or walking along the street or wherever and seeing their innocence and happiness, it always saddens me when I hear of abuse towards them. Ask Heavenly Father to protect them and comfort them if they fall into abuse.
4. Ask God to help us be better. Better at keeping His commandments, better at helping our neighbor, and better at sharing with those less fortunate.

May God bless each of you abundantly in your efforts.

Sincerely,
Scott Bartlett
