

PRAYER REQUEST

May 2020

One of our greatest blessings is to be living in these latter times in a nation that has been blessed with liberty. Lucifer, who was cast out of heaven and is here to tempt us would love to see us in bondage. There are those who follow his promptings and work to incrementally take our liberty away. What are we, what are you doing to protect our liberties? We need to understand our Constitution and be in contact with those Senators and Representatives to call them out when they go against our Constitution.

Please join with us this month as we focus our prayers for our group on the following:

1. Ask Heavenly Father to increase our desire and effort in upholding and defending the Constitution of the United States.
2. Ask God to bless those that have suffered losses of family, income, freedoms or whatever else they might be suffering with this COVID 19 scare.
3. Ask Heavenly Father to send His angels to thwart the progress and place stumbling blocks in the way of those who unrighteously want to rule over us. And show us what to do to defend ourselves.
4. Ask God to help all of us develop a stronger love for our brothers and sisters throughout the world and love and care for our neighbor.

May God bless each of you abundantly in your efforts.

Sincerely,
Scott Bartlett
